1.	Bidding Conditions Page No. 3	The lead partner/agency should provide the documentary evidence of its own agency (and not of consortium partners) to meet all the criteria's defined under “Grid for assessing the eligibility of firms.”	To enable leveraging expertise and experience of more than one agency towards effective delivery of the proposed assignment, we would request GIZ to consider the experience of all consortium partners to meet all the criteria's defined under “Grid for assessing the eligibility of firms.” GIZ may restrict/ limit the number of partners in a consortium, as it finds appropriate.	According to the procurement principles and to ensure accountability, the eligibility requirements under the “ <i>Grid for assessing the eligibility of firms</i> ” must be met by the lead agency. However we acknowledge the experience of all consortium partners to contribute to the assignment.
