

TENDER NOTICE **FOR**

Engagement of a Technical Consultancy for Capacity Development Workshops on CCTS Compliance Mechanism

Background:

GIZ is an international cooperation enterprise for sustainable development which operates worldwide, on a public benefit basis. GIZ is fully owned by the German Federal Government, GIZ implement development programs in partner country on behalf of the German Government in achieving its development policy objectives. Energy efficiency project of GIZ has been working with BEE in the implementation of energy conservation act. The project has supported BEE in many initiatives for large industries and MSMEs. Despite these achievements, substantial untapped potential remains, requiring an expanded policy and adequate instrument mix.

To address this, the Bureau of Energy Efficiency (BEE), under the Ministry of Power, Government of India collaborates with GIZ India on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) through the project "Energy Efficiency in India" which adopts a comprehensive approach to industrial decarbonisation by strengthening institutional and individual capacities of relevant stakeholders. Its interventions focus on:

- a. Developing strategies for industrial decarbonisation, including integration within the Indian Carbon Market.
- b. Supporting the design and implementation of incentive schemes.
- c. Promoting industrial energy efficiency measures through demonstration projects and awareness campaigns.
- d. Advancing gender equality and social inclusion in the industrial transition.

Specific objectives are to:

- Build technical understanding of the CCTS framework.
- Improve knowledge of sector-specific compliance requirements.
- Strengthen understanding of GHG accounting and emission intensity calculations.
- Enhance capacity on Monitoring plan, MRV and verification requirements.
- Familiarize industries with digital MRV and carbon registry systems.
- Facilitate interaction between policymakers, regulators, technical experts, and industry.

The interested bidders are requested to submit the proposal in digital format / electronically – please refer to the bidding conditions and follow the instructions carefully.
