

TENDER NOTICE for

BANF Nr. 10052068, hiring a consultancy agency for Poshan Samridhhi: An initiative for improved nutrition and enhanced rural resilience, RFQ Nr. 7000024046

Background:

The Global Programme Modular Nutrition Actions (MoNA), commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ), aims to improve nutrition outcomes through context-specific and systems-oriented approaches in selected partner countries. The programme focuses on strengthening nutrition-sensitive agricultural value chains, nutrition governance, social protection systems, food fortification, and nutrition integration within sectoral programmes. In India, the MoNA country measure will work in an integrated manner with the bilateral projects- Support to Agroecological Transformation Processes in India (SuATI) and the Adaptive Social Protection (ACVERR) projects as well as their political partner, the National Rural Livelihood Mission (NRLM), Ministry of Rural Development, with the objective of strengthening nutrition-resilient livelihoods for women. The project seeks to increase women's agency, access to productive resources, and participation in value chains for innovative and healthy food products while improving local food environments and strengthening demand for nutritious foods. The intervention is aligned with Government of India priorities related to women-led livelihoods, nutrition security, and rural development.

Objectives:

The overall objective of this assignment is to strengthen nutrition-sensitive rural development in Rajasthan by enhancing household dietary diversity, establishing climate-resilient nutrition gardens, strengthening community-led nutrition governance, and building scalable institutional systems through RAJEEVIKA community institutions and Amrit Poshan Vatikas.
